Event Director Message

More Good Weather and Plenty of Green

Welcome to our first “Green” post-race results publication. As part of our initiative to “Green” this year’s event we have saved some trees by bringing the results “book” in electronic format. Enjoy the same pictures, stories and results as before, but without guilt.

Let me be the first to offer my congratulations to all of our finishers – you will find your names included in this publication.

As always, I am deeply indebted to all of my race committee members – especially Deputy Race Director Irv Newman and Race Support Manager Becky Lambros — who toiled throughout the year to make it all happen.

In a tough economic environment, our title sponsor, Credit Union Miracle Day, raised over \$923,000 for the Children’s Miracle Network. In the eight years of the CUMD’s sponsorship, the event has raised over \$4 million dollars to help children in need of medical care through the Children’s

Miracle Network. A significant portion of those funds goes to Washington, DC’s own Children’s Hospital.

We hope you will “page down” through these pages and savor your accomplishment as well as those of our world-class runners and your fellow runners. We have sprinkled in plenty of photos to help you recapture the magic of that April morning.

I hope your experience at this year’s event will entice you to join the 6,800 race entrants who use their local Credit Unions for their financial needs. (Details about joining a Credit Union appear on pages 44 and 45.)

I also would like to take a final opportunity to thank our 2010 supporting and contributing sponsors: Gatorade, for the Gatorade Endurance Formula; Navy Federal Credit Union, for the special customized water bottles; and Potomac River Running, our retail sponsor. I’d like to extend a special thanks to DrinkMore water for supplying the water contained in the Navy Federal Credit Union bottles, the National Park Service and the U.S. Park Police.

We will keep everyone informed by email and on the race website, www.cherryblossom.org, about the 2011 entry process. Next year’s race date is Sunday, April 3, 2011. It will be the 10th race with title sponsor Credit Union Miracle Day. Our plan is to open registration in early December, 2010. Everyone who entered the race this year, even if you were not accepted, will be sent email notification about the entry process. Remember to let us know if you move or change your email address so we can keep our records up to date. If you have friends or associates who did not run this year (or if you have run before but did not run this year) anyone can sign up to receive 2011 entry information on the race website at www.cherryblossom.org. The information will be sent by email.

If you had a good time or have suggestions, please let us know. You may write to us at Credit Union Cherry Blossom, 4940 Hampden Lane, Suite 212, Bethesda, MD 20814 or send us an email to: racedirector@cherryblossom.org.

Happy Miles,
Phil Stewart

Getting It Done Tum, Chepkurui Win 38th Cherry Blossom 10 Mile Run

by Jim Hage

With a sprint, a lean—and debatably a bit of an elbow—unheralded Stephen Tum edged past the two pre-race favorites and won the 38th Credit Union Cherry Blossom Ten Mile Run on April 11. Lineth Chepkurui dominated the women's race to complete a Kenyan sweep.

Tum ran 45 minutes 43 seconds, the fastest 10-mile effort in Washington, D.C., since Ismael Kirui set a then-world record 45:38 in the 1995 Cherry Blossom race. Running in a pack from the start, Tum scorched the final mile in 4:25 to finally vanquish Lelisa Desisa and Tilahun Regassa, two 20-year-old Ethiopians. The pair earned worldwide acclaim after running 59:59 and 59:17 for third and first, respectively, in a January half marathon in Abu Dhabi.

Desisa and Regassa “were just waiting for the finish,” Tum said. “They were talking, working together the whole time. They didn’t know me. They said, ‘Who is this guy?’”

Desisa, who officially finished one second behind Tum, filed a protest alleging that Tum had obstructed his rush to the tape. But referee and chief judge Ed Murray reviewed video of the finish and denied the protest the day after the race. Desisa declined to appeal that ruling.

“Even at the end, I don’t know if I win,” Tum said immediately after the

race. “Even right now, I’m not sure.... I’m not believing it.”

Regassa took third in 45:50 and three-time race winner John Korir finished fourth in 46:05. Korir, 34, in his third and perhaps last, best attempt to join Bill Rodgers as the event’s only four-time winner, ran gamely with the top trio until fading in the last two miles.

Stephen Muange finished fifth and 2006 champion Gilbert Okari, was sixth in 46:39.

Chepkurui, meantime, moved into the lead at Mile 4, passed halfway in 25:35 and extended her lead all the way to the finish. The winning time of 51:51 is her fastest here by more than 90 seconds.

“I’m grateful to win,” Chepkurui said. “This is a big, long road race.” Chepkurui, 23, finished fifth at the World Cross Country meet in Poland last month; she was fourth in 2009.

Chepkurui’s countrywoman and training partner Julliah Tinega took second in 52:39, ahead of Ethiopians Belainesh Zemedkun and Misker Demessie, third and fourth in 53:22 and 54:37.

Kelly Jaske, from Portland, Ore., ran 54:40 to take fifth; she was the first American, thereby doubling her prize money. Jaske ran most of the race with Samia Akbar, from Herndon, Va., who was the first local finisher, seventh in

54:46.

“I just tagged along with Samia,” said Jaske, 34. “She surged ahead at the end and I thought she had me.”

Joan Benoit Samuelson, 52, the 1984 Olympic marathon gold medalist, ran 60:52 to finish 18th in her first Cherry Blossom race. She beat all 40-year-olds and set a U.S. age-group record for 10 miles, shattering the mark of 62:01 set by S. Rae Baymiller in 1994.

Samuelson started in the second wave with the open men rather than earlier with the elite women, “and still went out way too fast,” she said. “But I’m delighted to officially get the record. I would have been ecstatic to break 60 minutes ... but today went okay.”

Almost lost in the hubbub of Samuelson’s run was the effort of Nina Caron, 50, from North Andover, Mass., who finished two places behind St. Joan in 61:51 and also under Baymiller’s record. Yolanda Mercado-Torres, 40, from Puerto Rico, finished in 61:59 to win the masters division.

Tim Young, 23, from Fredericksburg, finished 18th in 49:03; he was the first American and top local. Young, a 2009 James Madison University graduate, was the hometown winner of the first two Marine Corps Historic Half marathons. Local standouts Bert Rodriguez, Aaron Church and Jake Klim finished just behind Young in 50:52, 50:52 and 50:56, all personal

bests. Their top 25 finishes were also high-water marks for the trio, who worked together much of the race.

Ray Pugsley, 42, from Potomac Falls, Va., won the masters division for a second consecutive year, running 52:08 – the same time he recorded last year. And like Samuelson, another 1984 Los Angeles Olympian, John Tuttle, 52, won the men’s Grand Master division, running 56:39.

D.C. Mayor Adrian Fenty ran 1:05:53. Gerry Ives, 70, ran 1:11:20 to win his age group by almost 13 minutes. Nianxiang Xie, 82, from Rockville, Md., logged 1:37:28 to win his division; Xie was also the oldest finisher.

Ben Beach, 60, from Bethesda, Md., extended one of the most remarkable event records by completing his 38th Cherry Blossom race, this one in 1:39:49. On April 19, Beach finished his 43rd consecutive Boston Marathon.

And in the Sweaty Challenge, essentially a bar bet between two D.C. area friends as to who could win a duathlon of 10 miles followed by tennis, Noah Buntman edged Dan Lawner in the race by less than a minute, then whipped him, 6-0, 6-1, to complete the sweep. The payoff? Lawner wrote a check for \$500 to the Children’s Miracle Network, the race charity that is the beneficiary of nearly \$1 million raised through this year’s event.

A record 15,762 finished the race.

The Race Benefits

Credit Union Cherry Blossom Goes Green

by Keith Peters of Ecologistics

Last fall, the organizers of the Credit Union Cherry Blossom 10 Mile Run decided to add green to the color scheme for the 2010 event. In addition to the pink and white cherry blossoms that have always been a big part of the Credit Union Cherry Blossom experience, this year runners would encounter myriad ClearStream recycling bins and some 60 eager “green team” volunteers—all in an effort to make the expo, 10 mile and 5K runs more eco-friendly.

So, how did we do?

Well, you’re looking at the most obvious achievement: we completely eliminated the printing of a results booklet, and hope you find this PDF version more than acceptable. But there’s a lot more to the story of what we accomplished—race organizers and runners alike—and it’s only fitting that those accomplishments can be expressed in numbers, just like the numbers in this booklet that represent your race results.

13,900 folks rode Metro to the event, significantly reducing the carbon footprint of race day transportation.

1090 race participants purchased carbon offsets through the program

we offered with NativeEnergy. By purchasing these offsets, runners helped build the new Greensburg Wind Farm in Greensburg, Kansas, and prevented over 260 tons of carbon emissions.

6,820 pounds of plastic bottles, cardboard and cups were recycled. We also collected 6,700 pounds of trash. With a total of 17,460 finishers in the 10 Mile and 5k, the combined weight of materials sent to both recycling and the landfill equals about ¾ pound per person. (Next year, when we apply for green certification from the Council for Responsible Sport, these numbers will provide an important baseline for us to work from.)

On a smaller scale, we collected 35 pounds of D-tags (your timing chips) for recycling. Next year, we’ll significantly increase our efforts to collect this e-waste, along with the tyvek race numbers and safety pins that are too valuable as recyclable/reusable materials to simply throw away when you get home.

We didn’t weigh the 25 trash bags full of clothing discarded at the start of the 10 mile and 5k, but were pleased to pass these perfectly reusable items along to the less fortunate among us.

Just as you look forward to your next race, Credit Union Cherry Blossom organizers are already planning for next year’s event. As mentioned previously, we hope to be able to qualify for Council for Responsible Sport Certification, a distinction that is becoming more and more meaningful each year. To do so, we’ll need your help.

We’ll also be counting on continued

cooperation from the National Park Service, which was great this year, counsel from Eco-Logistics, and green team leadership from Becky Landros and Peter Verasin, both members of the Credit Union Cherry Blossom Race Committee.

We hope to see you on April 3, 2011, when once again our colors will be green, pink and white.

Thank You

**With your help, this
year we are able to donate**

\$923,000

**to Children's Miracle Network-affiliated
Children's Hospitals all across the country**

Credit unions throughout the U.S. are proud to have joined together as the title sponsor of the **2010 Credit Union Cherry Blossom Ten Mile Run®**, benefiting Children's Miracle Network. For us, the commitment to helping children is a natural part of our role in the community.

Each year, more than 17 million children enter a Children's Hospital for treatment, cures and hope. With your participation, and the generous support of our lead business partner, PSCU Financial Services, we can help provide the aid they need.

As sponsors of the Credit Union Cherry Blossom Ten Mile Run, credit unions enthusiastically provided the financial support and volunteer muscle to make the race happen for more than 15,000 runners. But, our excitement goes well

beyond the race as we are committed to serving the people in our communities across the nation everyday. Be a part of something special. Join a local credit union near your home or work. To find a credit union near you, visit **www.findacreditunion.com**. See the difference a commitment can make!

It's more than a race...

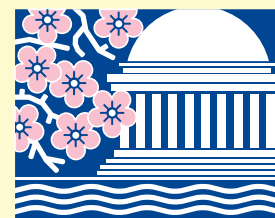

Runners!

ted
untry.

It's a commitment!

Joining a local running club can help you achieve your running and fitness goals. Running clubs provide a great social network in an atmosphere that is supportive of your running goals.

Find your local club at www.RRCA.org/clubs. Click on your state and find your local running club.

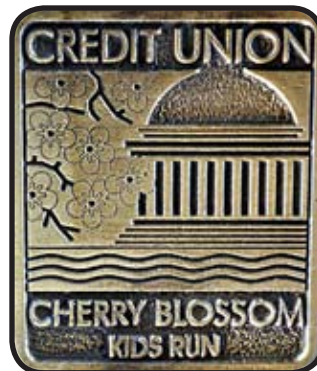

Don't see a running club in your town? Start one! Click on the JOINING link on our website at www.RRCA.org and learn how to start an RRCA running club in your community.

To learn more about the Road Runners Club of America, our members, our programs and our services that benefit the running community visit us to today at www.RRCA.org.

Kids Run is a Success!

Kids Enthusiastically Embrace 1K Route Around the Washington Monument

Youngsters ages 12 and under were very excited about the 1K Kids Run. All finishers were winners and received this medal for their efforts.

Run course which ran all the way around the Washington Monument. Photos: Mallet Team.

Thanks, Cherry Blossom Volunteers

Running Legends: Bill Rodgers and Joan Samuelson defined U.S. running in the late 1970s and early 1980s and both love the sport as much now as ever.
