Event Director Message

Our 40th Running Celebration

Congratulations to all of the finishers of this year’s “Tulip Blossom 10 Mile.” That might have been a better operative name for the event this year due to the record setting early blooming of the cherry blossoms. Whatever blossoms were out, it was a splendid day for running 10 miles, 5K or for having your kids take part in the Kids Run Half Mile. Our 40th running certainly did not disappoint. At the front end, last year’s course record certainly didn’t last long as Kenyan Allan Kiprono, who finished second in 2011, came to town ready to dominate — which he did by breaking the course record by 21 seconds and bettering the second place finisher by 1:13, the largest winning margin in the mens’ race in recent years. Behind him came thousands of other happy runners many setting personal best times, in our aptly-named “Runner’s Rite of Spring.” There were some other equally impressive statistics generated at our 40th running – the most significant one being the addition of \$515,000 to our total of funds raised for the Children’s Miracle Network Hospitals. This brought our total to \$5.5 million dollars since the Credit Unions became the title sponsor in 2002.

I hope you will scroll through the pages of our third environmentally friendly .pdf results publication and relive the excitement and magic of the event through the articles, photos and finisher lists. As always, I am deeply indebted to all of my race committee members – especially Deputy Race Director Becky Lambros and Treasurer Irv Newman (he does much more than that) — who toiled tirelessly throughout the year to make it all happen. I hope your experience at this year’s event will entice you to join the 7,000 race entrants who use their local Credit Unions for their financial needs. (Details about joining a Credit Union appear in the center spread of this results publication.) I also would like to take a final opportunity to thank our 2012 supporting and contributing sponsors: We are excited to have added two new sponsors to our family this year: Gold’s Gym, which organized our first-ever pace groups and led the race day warm-up exercises, and E*Trade, which sponsored our RunPix Interactive Results. Thanks to our returning sponsors as well. **New Balance** supplied all of our committee apparel and shoes along with the popular New Balance Lightning Dry upgrade shirts for participants; **Gatorade** supplied the Gatorade G-Series Pro Perform out on the course; **Navy Federal Credit Union** underwrote the special customized water bottles; and **Potomac River Running** served as our retail sponsor and organized our in-person training groups. I’d also like to extend a special thanks to **DrinkMore** water for supplying the water contained in the Navy Federal Credit Union bottles, the **National Park Service** and the **U.S. Park Police**. Next year we head into our 40s with the **41st running** of the event. We will keep everyone informed by email and on the race website, *www.cherryblossom.org*, about the 2013 entry process. Next year’s race date is **Sunday, April 7, 2013**. Our plan is to open registration in mid December, 2012. Everyone who entered the race this year, even if you were not accepted, will be sent email notification about the entry process. Remember to let us know if you move or change your email address so we can keep our records up to date. If you have friends or associates who did not run this year (or if you have run before but did not run this year) anyone can sign up to receive 2013 entry information on the race website at *www.cherryblossom.org*. The information will be sent by email. Be sure to check your spam filters if you do not hear from us — or just check the website from time to time. If you had a good time or have suggestions, please let us know. You may write to us at Credit Union Cherry Blossom, 4940 Hampden Lane, Suite 212, Bethesda, MD 20814 or send us an e-mail to: *racedirector@cherryblossom.org*.

Happy Miles,
Phil Stewart

Approximately 30 women head out 10 minutes ahead of the main field as participants in the women's advance start, designed to showcase the elite women's competition.

Kenya's Kiprono Sets Course Record at Credit Union Cherry Blossom Ten Miler Americans Make Comeback at Race's 40th Running

by Jake Klim

After finishing a close second to countryman Lelisa Desisa and running the third fastest time ever recorded at last year's Credit Union Cherry Blossom Ten Miler, Allan Kiprono was seeking vengeance. While the 26-year-old Kenyan wanted revenge on the competition, more importantly he hungered for retribution on the course itself. Little did anyone know what he had in store for the spectators at the 40th running of the "Runner's Rite of Spring *."

Ideal racing conditions greeted nearly 17,000 runners gathered on the Washington Monument Grounds on race day morning. The wind was calm and the sun remained hidden behind a layer of thick clouds.

Kiprono wasted no time waking up the elite field. By mile 1 along Independence Ave. when the lead pack frequently resembles the morning rush hour, Kiprono and training partner Lani Kiplagat were free and clear of all pursuers including three-time Cherry Blossom champion John Korir. Ironically, it was Kiplagat who shrugged off the quick pace and verbally challenged the favored Kiprono to hold it: "Don't reduce the pace, let's push." However, a couple of miles later, Kiplagat was an afterthought as Kiprono followed his challenger's advice and continued to "push." Over the final 7 miles, Kiprono lengthened his lead with every stride, looking like a solitary morning runner instead of the leader of a pack of 16,000. He pushed all the way to the finish, posting

a course record, and world leading time of 45:15 -- a blistering pace of four minutes, 32 seconds per mile. Kiplagat took second, over a full minute back, in 46:28. Korir was 3rd in 47:33.

Perhaps having 1983 winner and American 10 Mile record holder (46:13) Greg Meyer in town for the 40th running motivated a talented field of Americans. Three athletes, Ian Burrell (Tucson, AZ), aptly named Jesse Cherry (Blowing Rock, NC) and Patrick Rizzo (Boulder, CO), all of whom competed in the U.S. Olympic Marathon Trials in January, were set to battle Josh Moen (Minneapolis, MN), the fifth fastest American ever at the 10-mile distance, for the ballyhooed title -- and an extra \$1,000 in prize money -- of top U.S. finisher. Although the threesome shared a shakeout run together the day before where they discussed race strategies, Cherry admitted with a smile, "We [still] wanted to beat each other." The next morning it was all business. With eyes fixed ahead and hands on their hearts, the Americans received a final infusion of patriotic zeal when the Stars Spangled Banner boomed over the sound system. "How can you not feel patriotic hearing the National Anthem while looking up at the [Washington] Monument?" noted Cherry. After passing the first mile, Burrell was surprised to see so few Africans up in the mix. He quickly latched on to the coattails of Cherry and together, over the next nine miles, the two shared what Cherry referred to as an "unspoken camaraderie." They

worked with each other to catch Ethiopian Ketema Nugusse, but came up just seconds shy of passing John Korir. In the end, Burrell and Cherry wound up in 4th and 5th places, while Moen, who boasts a 46:38 personal best for 10 miles, and Rizzo finished 7th and 8th, respectively.

Stephen Hallinan of Washington DC was the top local finisher with a time of 50:18, finishing in ninth place and winning the trip to the PRRO Race of Champions at the Peachtree Road Race awarded to the top local finisher.

In the women's race, defending champion Jelliah Tinaga of Kenya took the pace out hard and never looked back. She passed mile 5 in 26:48 and then cruised to the finish with a time of 54:02. Tinaga vowed to return next year with the goal of becoming a three-peat champion. Like Kiprono, she claimed \$7,500 for her victory. Malika Mejdoub, of rival distance running nation Ethiopia, was the runner up, 22 seconds back. Yihunlish Delelecha, also of Ethiopia, Agnieszka Ciolek of Poland, and Englishwoman Claire Hallissey, who lives and trains in Arlington, VA, rounded out the top 5. It was recently announced that Hallissey will represent Great Britain in the marathon during the 2012 Summer Olympic Games in London.

A trio of Americans led by Stephanie Pezzullo (Charlotte, NC) claimed places six through eight. Pezzullo's goal was to run at a faster pace than she did two weeks earlier at the New York City Half

Marathon and finish in the top ten. After a fast opening mile, she reeled her pace back while keeping her American competition in sight. Pezzullo passed Emily Harrison (Flagstaff, AZ) at mile five before catching Kristen Zaitz (Boulder, CO) at mile eight. "We were neck and neck (after mile eight)," explained Pezzullo, before putting on what Zaitz referred to as a "decisive surge".

Chris Juarez, 41, of Alexandria, Virginia, dominated the master's competition with a time of 51:10, good enough for 14th place overall. Meanwhile, Colorado's Colleen De Reuck, 47, of Boulder, CO, bested all other female masters running a time of 58:14, a pending U.S. 45-49 age group record. De Reuck still holds the course record of 51:16

Imme Dyson from Princeton, NJ and George Yannakakis, from Sparks, MD, 75 and 80 years old respectively, were the oldest finishers in this year's race.

Ben Beach, 62, of Bethesda, became the only runner to complete all 40 editions of the race. At the time of the inaugural event, in 1973, Beach was a young staffer who had just finished working on George McGovern's presidential campaign. This year Beach wore bib number 40. Just over two weeks later, Beach moved into a tie for the lead for consecutive Boston Marathons completed when he finished that event for the 45th time. Neil Weygandt, the co-leader at Boston, did not run this year, setting the stage for special year for Beach in 2013 as he goes after his 41st Credit Union Cherry Blossom and sole possession of the all-time consecutive streak at Boston at 46.

Caitlin Chrisman finished just out of the prize money in 11th place with a time of 58:38. She did win a nice heavy weight beach tote bag which only went to runners finishing in 11th through 25th places.
